Dear Parents/Guardians,

With the increasing number in positive Covid-19 cases in our town, we are asking to please help us reduce the spread of the virus in the following ways:

1. If your scholar(s) has any of the following symptoms please keep them home until symptoms have cleared and/send a Doctor/Physician's note clearing them for return. If they have two of these symptoms they will be sent home.
 - Headache
 - Fever/chills
 - Congestion or runny nose
 - Sore throat
 - Stomach ache/ diarrhea
 - Body aches
 - Nausea or vomiting
 - Shortness of breath
 - Cough
 - Fatigue (followed with another symptom)
 - New loss of taste or smell
 - Rash
2. If your scholar has been exposed to anyone with Covid-19, please notify the school's health attendant and quarantine for 10 days after the exposure. If symptoms occur your scholar cannot return until they are symptom free or cleared by a doctor. If a family member in your household is positive, your scholar cannot return to school until 10 days after that positive person is cleared from symptoms.
3. If your scholar has a runny nose, cough, or feeling lethargic, please keep them home or provide the school with a Doctor/Physician's note indicating a common cold, allergies, etc.
4. If diagnosed with the flu, stay home for 24 hours after the fever has resided. You may then return with a Doctor/Physician's note stating a flu diagnosis.
5. Each scholar will have their temperature taken when entering the building and sanitize hands.
6. As of right now the Governor is strongly encouraging mask's to be worn but is not mandating it at this point. We are leaving it up to you as Parents/Guardians if you want your scholar to wear a mask or not until the Governor states otherwise.

We appreciate everyone's cooperation and thank you in advance for helping keep everyone safe and healthy. If you have any questions/concerns please contact the health attendant Mandy Tower at 928-770-4523 or atower@desertstarteachers.org at Desert Star Elementary. For Desert Star Middle please contact Lariza Bayliss at 928-770-4523 or lbayliss@desertstarteachers.org
